

Now's the right time.

There's never been a better time to host an ATNZ apprentice.

You save

**No
Apprenticeship
Fees**

This is part of the Government's Targeted Training and Apprenticeship Fund (TTAF), providing COVID-19 relief and addressing skills shortages in targeted growth sectors. Available until 31 December 2022.

**No ATNZ
Management
Fees**

Provided under the Group Training Scheme Funding, as part of the Government's Budget 2020. This fee waiver is available until further notice, subject to continued Government support.

**Apprentice
Boost
monthly
payment**

Covering eligible apprentices in their first 24 months of training, this payment assists employers like ATNZ to keep existing apprentices and employ new ones - and we will pass the full payment onto you. Access to this initiative ends in April 2022.

What we offer

Gold class recruitment including:

- Talent pool of the best apprentices from schools and pre-trades
- Candidate numeracy and mechanical reasoning testing
- Formal interview process and reference checks plus an interview with you
- Pre-employment medical and drugs test
- Full on-boarding process and induction.

Outstanding support for your apprentice – hassle free for you – including:

- On-going coaching, mentoring and wrap around support from a dedicated account manager
- 10 site visits with the learner per year
- Weekly wages, leave requirements, KiwiSaver and ACC contributions taken care of
- Performance and HR issues are handled by us
- All personal protective equipment and tools provided at the start of their training plus additional tools purchased via an interest-free loan
- On-the-job credit assessment
- Organisation of block courses and wages taken care of while attending.

Did you know
your existing
employees can
be transferred
to ATNZ too?

Now is the time to train –
